

Brooks Brothers Finds Flexibility and Scalability in Partner SkillNet Solutions' Support Services for Oracle® Retail

Brooks Brothers selects SkillNet Solutions to provide support and enhancements to its Oracle Retail store systems including Oracle Retail Xstore POS and Oracle Retail Customer Engagement.

Sunnyvale, California ([PRWEB](#)) December 07, 2016 -- SkillNet Solutions, a leading global retail systems integrator specialized in providing complete end-to-end omni-channel commerce solutions, today announces that Brooks Brothers, a renowned fashion retailer delivering classic American clothing for nearly 200 years, has selected them to provide ongoing software support and enhancements for their store systems including Oracle Retail Xstore POS and Oracle Retail Customer Engagement. Citing depths of experience and capability as well as flexibility and scalability of SkillNet's Xstore service offerings as its primary deciding factors, Brooks Brothers has partnered with the retail consulting firm utilizing its professional and expert services to support their retail operations across its 250+ upscale stores and outlets in North America.

“After an intensive review of the Oracle partners in the field, we selected SkillNet's Professional Services and Expert Services teams to support and enhance our store systems,” says Sahal Laher, EVP and CIO of Brooks Brothers. “SkillNet has been a true partner listening to our business requirements and adapting their offerings to a model that not only aligns with but also compliments our operational structure, showing great capability and flexibility of resources.”

“While visiting SkillNet's offices in Cleveland and Mumbai, we met with members of their Expert Services Team and were impressed with their depth of knowledge on current store technologies and clearly defined approach to communication and transparency with our IT teams,” states Sahal Laher.

“We are thrilled that Brooks Brothers has selected us to support and continue development of their store systems and omni-channel roadmap,” says Anurag Mehta, Chief Operating Officer for SkillNet. “It's an absolute privilege to be able to support one of America's oldest and highly regarded fashion retailers, and we look forward to helping their IT team maintain its high standards of quality and excellence for the Brooks Brothers customer.”

About SkillNet Solutions:

SkillNet Solutions, Inc. is a leading global consulting services and retail systems integrator specializing in providing complete end-to-end, omni-channel commerce solutions in stores, merchandising, e-commerce, supply chain, customer management, and data analytics. SkillNet offers retailers consulting, solution delivery, cloud, and support services. Having successfully implemented award-winning solutions for the retail industry's top performers for over twenty years, SkillNet delivers digital transformations that provide retailers with a seamless and connected customer experience across all channels.

Founded in 1996 in the heart of Silicon Valley, SkillNet has expanded into a global enterprise spanning three continents with offices in Cleveland, Austin, Sunnyvale, Toronto, London, New Delhi, Mumbai, Indore, and Pune. For more information, visit <http://www.skillnetinc.com>

About Brooks Brothers:

Founded in 1818, Brooks Brothers was the first ready-to-wear fashion emporium in America. Since then, Brooks Brothers has been a proud institution that has shaped the American style of dress through fashion innovation, fine quality, personal service, and exceptional value in their products.

Brooks Brothers is one of America's oldest retailers, specializing in men's suits and outerwear; the company also sells women's and children's apparel. Brooks Brothers operates about 250+ upscale retail stores and outlet locations in the US. Through partnerships, Brooks Brothers has 150-plus stores in about 15 countries including Chile, China, Italy, and Japan. Brooks Brothers is owned by Retail Brand Alliance (RBA) and led by CEO Claudio Del Vecchio.
